Why Jobs Partnership?

Successful Outcomes

Since 1999, over 3000 people have graduated from LifeWorks. On average 70% of graduates get a job or enroll in skills training within 90 days of graduation. Last year, graduates' monthly income increased by 24% and 42% gained new access to workplace benefits.

Exclusive Resources

Eligible LifeWorks graduates pursuing career and technical education (CTE) may qualify for stipends for living expenses. Additionally, our Career Services team helps participants connect to Education Partners and scholarships.

Supportive Community

LifeWorks provides a supportive community of coaches, community partners, employers, and educators who foster hope and provide access to opportunities.
