## Opportunities to Serve

**Habitat for Humanity Workday:** Help build and revitalize homes in East Winter Garden on Saturday, March 29. Volunteers help with painting, wall building, landscaping, cabinet/flooring installation, roofing work, and other construction activities. No construction experience is necessary. Sign up at [st.lukes.org/habitat](http://st.lukes.org/habitat).

**Sleep in Heavenly Peace:** A bed is a basic need for the well-being of a child, and close to 800,000 children in the U.S. don't have one to sleep on - including neighbors in our own community. Help St. Luke's and Sleep in Heavenly Peace respond to this issue in a very tangible way at our bed build day on May 3! No experience is needed, and all are welcome. Sign up and learn more at [st.lukes.org/SHP](http://st.lukes.org/SHP).

**Circles West Orange:** Provide guidance and support to our Circle Leaders as they work toward economic stability by applying to become a Circles Ally! Learn more about this amazing volunteer opportunity at [st.lukes.org/circles](http://st.lukes.org/circles).

Learn more about classes starting in February and sign up to get involved at [st.lukes.org/jobpartnership](http://st.lukes.org/jobpartnership).

Our team provides companionship, encouragement, and support for all our church families while also building meaningful relationships. If you or a family member have difficulty attending church and would appreciate a visit by our team, please **email [care@st.lukes.org](mailto:care@st.lukes.org)** or call 407.876.4991 ext. 262 to be connected with one of our Care Visitation Team members.
